Press Release

Sealmatic announces the appointment of Deepankar Singh Tomar as Assistant Vice President – Sales (Europe & Africa)

Deepankar Singh Tomar

Mumbai – September 01st 2023 – Sealmatic India Ltd, (BSE Listed), a leading provider of sealing technology and services for the global process industry and OEMs, announced today that Mr Deepankar Singh Tomar will take charge in Dublin as Sealmatic's Assistant Vice President, Sales, beginning September 01st 2023.

“With Deepankar's extensive technology background and long-term experience in industries we serve, I am very confident that he is the right fit to drive our business development in **Europe & Africa** as well as the strategy around our market-led approach to innovation in our products, services and customer experience,” said Umar AK Balwa, Sealmatic Managing Director.

Deepankar brings more than 15 years of rotary equipment experience to Sealmatic, with extensive knowledge in sealing technology development, applications, engineering and product lines. Deepankar is a thoroughbred OEM & aftermarket business professional with many remarkable milestones to his credit. He has been awarded **five times** with “**Best Sales Performance**” with renowned European and US based pump OEMs. His proven experience has some noticeable skills like project handling & execution with cutting edge negotiation skills. He has worked with customers in the process industry, viz: petrochemical, off-shore & on-shore, water & waste water treatment plants, automobile, hydro /gas /thermal power plants, fertilizer, chemical, pharmaceutical etc. The sealing market in Europe and Africa is valued at USD 1.5 Billion and we are sure that Deepankar will carve a niche for Sealmatic in these exciting markets.
