Sealmatic Annual Factory Get Together 2025

Sealmatic recently hosted its much anticipated Annual Factory Get Together 2025, bringing together employees from all levels of the organization, right from shop floor workers to white collar professionals. This grand event was not just a celebration but also a testament to Sealmatic commitment to fostering a culture of unity, teamwork and appreciation.

The highlight of the gathering was an exciting picnic to a water resort, where employees had the opportunity to unwind themselves, interact and build stronger bonds beyond the workplace. The day was filled with thrilling water rides, engaging activities and team interactions that helped bridge gaps between different departments.

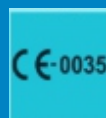

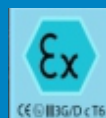

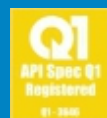

One of the key moments of the event was the felicitation ceremony, honouring employees who have completed 5 and 10 years of dedicated service on the shop floor. Their commitment and hard work have been instrumental in Sealmatic's growth. As the sun set, the evening transformed into a lively DJ night and cocktail dinner at the resort, where everyone came together to dance, celebrate and enjoy the vibrant atmosphere. The event was a perfect blend of relaxation and entertainment, ensuring that every employee felt valued and rejuvenated.

As Sealmatic moves forward, it remains dedicated to creating such engaging experiences that not only celebrate achievements but also strengthen the bonds that make the company a thriving and unified workplace.
