Sealmatic Gets API Spec Q1 With APIQR Certification From The American Petroleum Institute (USA)

We are pleased to announce that Sealmatic has successfully revalidated its API Spec Q1 certification with the American Petroleum Institute (USA). Sealmatic is the only mechanical seal manufacturing company in India which has the distinction of having the API Q1 Certification bearing registration number Q1 – 3646.

API Spec Q1® establishes quality management system requirements for organizations that manufacture products for use in the natural gas and oil industry. API Spec Q1® standards and recommended practices are the most widely cited petroleum industry standards by international regulators. The API Spec Q1 instils confidence in the quality, thus contributing to enhanced safety and environmental protection across the industry.

The scope of this registration and the approved quality management system applies to the Design, Manufacture, Supply and Service of Mechanical Seals.

Sealmatic consistently manufactures mechanical seals that conform to API's world-class specifications and provides opportunities for these products to have a level playing edge in the international marketplace. With over 30 years of experience in the sealing technology, Sealmatic products are recognized globally. Moreover, Sealmatic has proven itself with its heavy-duty mechanical seals and tailor-made sealing solutions which guarantee longer efficiency.

With the prestigious API Spec Q1 and APIQR certification, Sealmatic will pave its way for supplying quality mechanical seal in refineries, petrochemicals, chemical industries, and related offsite and utility facilities, as well in oil and gas pipelines and other process industries.

API SPEC Q1. ISO 9001:2015. ISO 14001:2015. ISO 45001:2018. EU 1935:2004. ATEX - 2014/ 34/EU. REACH & RoHS. PED-CE. GMP
