Sealmatic Meets Stupendous Success At NEFTEGAZ 2024 Exhibition Moscow, Russia

The National Oil & Gas Forum (NEFTEGAZ) serves as a pivotal event especially in the oil and gas sector, bringing together manufacturers, stakeholders and industry experts to explore new products, trends and networking opportunities. The event is organized by key industry stakeholders including the Russian Ministry of Energy, Ministry of Industry and Trade of Russia and other important government body.

Sealmatic recently took the center stage at the NEFTEGAZ 2024 exhibition held in Moscow, Russia, showcasing its cutting-edge mechanical seals tailored for the oil and gas sector. NEFTEGAZ stands as Russia's premiere trade show for the oil and gas industry, ranking among the top ten globally. Over the years, it has distinguished itself as a vital international platform, spotlighting state-of-the-art equipment and innovative technologies driving the sector forward.

Prospective clients and delegates lauded the quality and standards upheld by Sealmatic in its product offerings, affirming its position as a trusted sealing partner in the process industries. Among the attendees were prominent oil and gas companies, who expressed admiration for Sealmatic contributions and demonstrated confidence in forging future partnerships.

Participation of Sealmatic in this said exhibition marked a significant milestone, particularly in penetrating the crucial CIS (Commonwealth of Independent States) market. Russia being the largest and most influential player in the CIS, the country dominates the oil and gas landscape. With vast reserves and a sophisticated infrastructure network, the Russian market offers significant opportunities for exploration, production and refining activities., says – **Umar AK Balwa – Managing Director, Sealmatic India Ltd.**

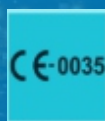

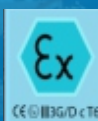

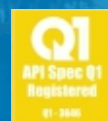

NEFTEGAZ exhibition served as a catalyst for Sealmatic, accelerating its market outreach globally.

In summary, NEFTEGAZ 2024 proved to be a huge success for Sealmatic, reaffirming its commitment to excellence and innovation in serving the oil and gas sector.
