In recognition of the relentless hardwork, commitment, loyalty and exceptional performance of Sealmatic employees, the Management proudly presented a special token of appreciation to every team member (380+), a timeless wristwatch. This symbolic gesture reflects the immense gratitude for the dedication and hard work each employee has contributed over the years for Sealmatic. It is the celebration of the countless hours spent in designing, building, supporting and pushing Sealmatic forward.

The Management extends its deepest appreciation to every member of the Sealmatic Dream Team family. Let this watch serve as a reminder that the time, dedication, and spirit matter and they are what make Sealmatic a remarkable place to work and grow.

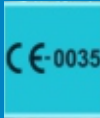

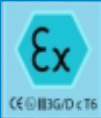

“From the shop floor to the front office, from engineering desks to customer service, each member of the Sealmatic family has played a vital role in making us who we are today. Your contribution has not gone unnoticed. These watches are a token of appreciation, a reminder that time spent building something meaningful is time well spent. This initiative is not just a celebration of milestones but a message to every employee that We see you. We value you. We thank you” says; **Umar AK Balwa – Managing Director.**
