Sealmatic announces the appointment of Hitesh Vyavahare as Business Development Manager – (Defence Applications)

Hitesh Vyavahare

Mumbai – September 01st 2023 – Sealmatic India Ltd, (BSE Listed), a leading provider of sealing technology and services focused on defence applications involving marine, aerospace and military, announces the appointment of Hitesh Vyavahare as Business Development Manager. Hitesh has a multidisciplinary background in engineering and entrepreneurship and is a Mechanical Engineering Graduate. Hitesh Vyavahare will take charge in Mumbai HQ as **Business Development Manager – (Defence Applications)**, beginning September 01st 2023.

Hitesh brings more than 25 years of rotary equipment experience to Sealmatic, with extensive knowledge in sealing technology. He has worked with Burgmann, Roto, Gala and host of other renowned companies. Hitesh is capable of leading both sales and engineering conversations with potential customers and internal engineers.

“I’m delighted to bring on board a multi-talented executive to our business,” says Umar AK Balwa Managing Director Sealmatic India Ltd. “He is a valuable asset to bring into the team with his ability to relentlessly pursue long term goals of the company in the defence sector.

“I’m excited to join such a dynamic company,” comments Hitesh Vyavahare, Business Development Manager - Defence Applications. “I have a passion for the defence sector and Sealmatic offers me the opportunity to use my technical background in multiple roles as the company grows.”
